Dear friends,

Here we are in a ***new year*** – with ***new dreams*** and – ***new expectations*** of what this year will produce for us. Who knows, as this might be the year for our Lord and Savior return. Nevertheless, our mission is to always stay ready for when Jesus come back. Amen!

I want to thank all of you who supported this ministry over the years. We appreciate you. If you gave a donation of =(equal)/>(greater) than **\$100.00** this past year (2025), your year-end receipt letter is enclosed.

There are those who may not have been able to give and we have kept you on our mailing list for a long time. We generously continued to share with you the profound events that has taken place with this ministry during our years in operation providing outreach and service; however, there are changes needed moving forward. Times have been rough and will continue to be so when we are laborers for Jesus Christ. Although this has not been done at this magnitude in a long while, there is a need to purge our database. Both absence and silence speaks volume, but know that we have always kept you in our prayers and considered you a part of the army of God, sharing the gospel and to win souls for His kingdom. If this message has ignited a fire, we welcome you back as everyone's support is needed and ***We are stronger together!!!***

Again, we love you all and appreciate you. If you can, please sow a generous love seed to help us share resources, materials and provide service to those who are in need. We are on this battlefield for our Lord and Savior, Jesus Christ.

In Him,

Yours in Christ affectionally,

*Michael Ashley*
